

# World Competition Day 2016

5<sup>th</sup> December

Theme 2016: | **Linkages between Competition and Intellectual Property**

International Days are observed to draw the attention of the society at large on issues that are extremely important for human development in the present and particularly for the future.

CUTS International calls on the international competition community to voice the need for adopting a WORLD COMPETITION DAY, as we celebrate 30 years of adoption of the UN Set on Competition Policy. It would be ideal to mark 5<sup>th</sup> December, the day of the adoption of the UN Set on Competition Policy by the UN General Assembly, as WORLD COMPETITION DAY.

CUTS International urges countries and competition agencies worldwide to follow this process by observing 5<sup>th</sup> December 2016 as an occasion to propagate the 'Linkages between Competition and Intellectual Property'.
