

WORLD COMPETITION DAY 2017

5TH DECEMBER

Theme

Re-imagining Competition Policy and Law in the Era of Disruption

International Days are observed to draw the attention of the society at large on issues that are extremely important for human development in the present and particularly for the future.

CUTS International calls on the international competition community to voice the need for adopting a WORLD COMPETITION DAY. It would be ideal to mark 5th December, the day of the adoption of the UN Set on Competition Policy by the UN General Assembly, as WORLD COMPETITION DAY.

CUTS International urges countries and competition agencies worldwide to follow this process by observing 5th December 2017 as an occasion to propagate 'Re-imagining Competition Policy and Law in the Era of Disruption'.
