Dear Mr. Qaqaya,

The Gazdasági Versenyhivatal (GVH – the Hungarian Competition Authority) has been asked to take part in the celebration of the ‘*World Competition Day*’ – an initiation set up by CUTS International in 2010 in order to organise public competition awareness events and various activities on a national level. As a nice gesture, the date of the World Competition Day – 5th of December – commemorates to the adoption of the UN Set on Competition Policy on the same day in 1980.

I appreciate the initiation of CUTS as well as the UNCTAD’s and your personal support concerning the idea of the WCD.

I would hereby like to express the support of the GVH towards this initiation. This year the GVH will celebrate the WCD by highlighting the main issue of this year – the “Adverse Impact of Cartels on the Poor” – via competition culture events in Hungary.

Yours sincerely,

Miklós Juhász
President
