Dear Sir,

Re: Request to Support 'World Competition Day – 05th December'

The Competition and Consumer Protection Commission ("the Commission") acknowledges receipt of your letter dated 15th October, 2014 whose contents have been duly noted.

I wish to inform you that the Commission will support the commemoration of this years' World Competition Day under the theme "Competition Issues in Public Procurement". Kindly be informed that this theme comes at a time when the Commission is establishing collaborative efforts with the Zambia Public Procurement Authority ("ZPPA") and the Anti-Corruption Commission ("ACC") to address competition concerns in the procurement process of goods and services.

In view of the aforementioned, the Commission wishes to inform you that it intends to organize radio and television interviews as well as publish newspaper articles based on this years' theme to educate and sensitize members of the public, procurement entities and enterprises on anti-competitive practices in the procurement process and the importance of promoting a competitive environment among market players.

Re: Request to Support 'World Competition Day - 05th December'
